

REMARKS

Claims 1-23 are pending in the application. The specification has been amended to include the serial number as requested by the Examiner on page 2 of the Office Action. The requested amendments to Claims 7, 11, 14 and 19 have been made. Therefore, Applicant believes the application is in condition for allowance.

Applicants are submitting herewith a new PTO/SB08a Form to include the correct publication numbers of the two references that were submitted on July 25, 2007. The Examiner is requested to consider the two references.

For all the foregoing reasons, reconsideration of and withdrawal of all outstanding rejections is respectfully requested. The Examiner is earnestly solicited to allow all claims, and pass this application to issuance.

Respectfully submitted,

Dated: November 15, 2007
